## Approve Minutes

**Motion:** To approve the minutes from July 20, 2023. Passes.

## Cats

Surrendered cat Bella has records from Banfield that were emailed to us. Bella is current with vaccines until September.

## Dogs

- Minnie's adoption will be on Saturday.
- Carol reported that Woof has been at the shelter for five months, and no appropriate applications have come in for him. His high energy requires the right home.
- Nyla's court case will come up soon.
- Tiramisu is being held while a court case is pending, but because of blood clots that have been in her stools since she arrived, she will have another visit to the vet.

## A.C.O.

- Francesca plans to start an Instagram account, featuring activities of the A.C.O.
- An updated voice mail message is needed for the shelter phone, and Carol will take care of it.

**Miscellaneous**

- Sharon will contact the Vetco manager to inquire about their billing practices.
- Mary and Carol will look into other local vets to expand veterinary options for the shelter.

**Adjournment**

**Adjourned 7:25 p.m.**
