Mansfield Community Designation Level	Red	Red-higher risk Yellow- moderate risk Green- lower risk
Covid-19 Related Deaths	20	Last Covid death in Mansfield 12/17/20

- [Holiday Gatherings](#)

Holiday gatherings increase the risk of COVID-19 spread. Celebrate safely this season.

[Keep your family safe during the holiday season.](#)

Here are some guidelines you can use to help stop the spread:

- Celebrate only with those in your household
- Host a virtual celebration with extended family and friends
- Visit your older loved one at their long-term care residence

[Follow the Travel Order](#)

Visitors & returning residents entering Massachusetts must follow travel orders. The Commonwealth has made great progress to slow the spread of COVID-19 and gradually re-open the economy, and all visitors have a responsibility to help us keep transmission levels as low as possible.

- **Learn how to keep your family safe everyday**

[Celebrate safely by limiting gatherings](#)

- At private residences, limit to 10 people indoors and 25 people outdoors. In public settings, limit to not more than 25 indoors and no more than 50 outdoors. Wear a face covering, social distance, and end all events by 9:30pm

[Wear a mask of face covering](#)

- When you go out, make sure you wear a mask or face covering. Masks slow the spread of COVID-19. They protect you and everyone around you.

[Learn more about COVID-19 Testing](#)

- Testing for COVID-19 is widely available in Massachusetts. Learn more about COVID-19.

**YOUR FRIENDS
ARE IMPORTANT.
SO IS PROTECTING
YOUR FAMILY.**

Many people in Massachusetts have COVID-19

You may not be worried about getting it, but you can have the virus and spread it to the people you love - even if you don't feel sick.

YOU HAVE THE POWER TO STOP THE SPREAD.

- Keep your distance.
- Wear a mask.
- Wash your hands.
- Feel sick? Get tested for free.
