- **Steps to Get Your Vaccination**

**Step 1:** Check your eligibility below or [use our tool](#)

**Step 2:** Preregister for a mass vaccination location or find a location and schedule your appointment

There are different ways to find a vaccine appointment:

- Preregister at [VaccineSignUp.mass.gov](https://vaccineSignUp.mass.gov) to be notified when it's your turn to schedule an appointment at one of **7 mass vaccination locations**: Fenway Park, Gillette Stadium, Reggie Lewis Center, DoubleTree Hotel in Danvers, Eastfield Mall in Springfield, Natick Mall and former Circuit City in Dartmouth.

- Use [VaxFinder.mass.gov](https://vaxfinder.mass.gov) to search for appointments at pharmacies, health care providers, and other community locations

Massachusetts' preregistration system makes it easier to request and schedule an appointment at one of the 7 mass vaccination locations. People can preregister for a COVID-19 vaccine appointment at mass vaccination locations only. More locations will be added to the system in April.

Once you sign up for preregistration, you'll receive weekly status updates. You can opt out at any time if you find an appointment elsewhere. Once an appointment is available, you'll be contacted with the opportunity to book the appointment and have 24 hours to accept it.

Massachusetts receives a limited supply of COVID-19 vaccine doses from the federal government each week. Due to high demand and very limited supply, it may take several weeks to schedule an appointment or to be notified that an appointment is available at mass vaccination locations.
