- **MA Mask Order continues despite CDC recommendations**

Masks will still be required for now in all indoor public places, at all events and outdoors when social distancing is not possible in Massachusetts, despite new guidance from the Centers for Disease Control advising fully vaccinated individuals that it's safe in most cases to stop wearing a face covering.

The current Order effective April 30, 2021 requires people to wear masks or face-coverings in indoor public places and outdoors when they are unable to maintain 6 feet from other people.

- Face coverings are still required at all times in indoor public places.
- Face coverings also continue to be required at all times at events, whether held indoors or outdoors and whether held in a public space or private home, except for when eating or drinking.
- At smaller gatherings in private homes, face coverings are recommended but not required.

- **[Get Vaccinated Against COVID-19 for individuals age 12+](#)**

People age 12+ who live, work or study in Massachusetts can be vaccinated. Sign up and be notified of appointments near you. Go to [Vaccinesignup.Mass.Gov](https://vaccinesignup.mass.gov).

There are different ways to find a vaccine appointment:

- Preregister at VaccineSignUp.mass.gov to be notified when it's your turn to schedule an appointment at one of [7 mass vaccination locations](#).
- Use VaxFinder.mass.gov to search for appointments at pharmacies, health care providers, and other community locations

Council on Aging staff is available to assist any vaccine-eligible seniors who need help navigating the scheduling process. Please call 508-261-7368.

The COVID-19 vaccine is free.
