KRIPALU YOGA MONDAY EVENING FALL SESSION

YOGA is the union between mind, body, and spirit. In addition to providing a relaxing stretch for the body, yoga helps us to be happier, healthier, less stressed, and more present. Classes begin with warm-up movements and breathing awareness to prepare for yoga posture and continue through a series of postures that stretch, strengthen, and balance your body. No previous experience is needed for participation in this program.

Your Program Instructor is Lisa Cohen, Ayurvedic Health Counselor and RYT-500 and is CPR/AED Certified through the American Heart Association.
