All data obtained from [Massachusetts COVID-19 vaccination data and updates | Mass.gov](https://www.mass.gov/info-details/massachusetts-covid-19-vaccination-data-and-updates)

- [Get Vaccinated and Boosted Against COVID-19 for individuals age 5+](#)

Following updated recommendations from the federal government, all residents aged 50 and older or individuals who are younger with certain medical conditions may now access a second COVID-19 booster. Those eligible include:

- Individuals 50 years of age and older at least 4 months after getting a first booster
- Individuals 18 and older with [certain medical conditions](#) may get a second Moderna booster at least 4 months after first booster
- Individuals 12 and older with [certain medical conditions](#) may get a second Pfizer booster at least 4 months after the first booster.

Separately and in addition, per the CDC, individuals 18 and older who received a primary vaccine and booster dose of Johnson & Johnson's Janssen COVID-19 vaccine at least 4 months ago may now receive a second booster dose using an mRNA COVID-19 vaccine.

MORE INFORMATION AT [MASS.GOV/COVIDVACCINE](https://mass.gov/covidvaccine)

The Centers for Disease Control and Prevention (CDC) recommends that [Americans stay "up to date" with COVID-19 vaccines](#), rather than be "fully vaccinated." Up to date means a person has received all recommended COVID-19 vaccines, including any booster dose(s) when eligible. Fully vaccinated means a person has received their primary series of COVID-19 vaccines.

- [Bristol County COVID-19 Community Level is identified as LOW](#)

[COVID-19 Community Levels](#) are a new tool to help communities decide what prevention steps to take based on the latest data. Levels can be low, medium, or high and are determined by looking at hospital beds being used, hospital admissions, and the total number of new COVID-19 cases in an area. Take precautions to protect yourself and others from COVID-19 based on the COVID-19 Community Level in your area.

In **Bristol County**, community level is **Low**.

- Stay [up to date](#) with COVID-19 vaccines
- [Get tested](#) if you have symptoms

People may choose to mask at any time. People with symptoms, a positive test, or exposure to someone with COVID-19 should wear a mask. If you are immunocompromised, learn more about [how to protect yourself](#).

COVID-19 Community Level designations throughout Massachusetts as of April 6th:

County	COVID-19 Community Level
Barnstable	Low
Berkshire	Low
Bristol	Low
Dukes	Low
Essex	Low
Franklin	Low
Hampden	Low

County	COVID-19 Community Level
Hampshire	Low
Middlesex	Low
Nantucket	Low
Norfolk	Low
Plymouth	Low
Suffolk	Low
Worcester	Low

- [Treatments for COVID-19](#)

Free treatments for COVID-19 are available. They can help prevent hospitalization and reduce your chance for severe disease.

Treatment is available for people who are at increased risk of severe disease, test positive for COVID-19 and have any symptoms, even mild ones (such as runny nose or cough). The sooner you start treatment, the better.

- **Call your doctor right away** to learn about your treatment options, OR
- **Call (508) 213-1380** to speak with a Gothams representative. If you're eligible for COVID-19 treatment, they can schedule an infusion appointment for you at one of their 7 sites in Massachusetts. Gothams COVID-19 Self-Referral Treatment Line is open Monday–Saturday from 8 a.m. to 6 p.m.

- Enable MassNotify on your smartphone: www.mass.gov/info-details/enable-massnotify-on-your-smartphone

The CDC has a new [COVID-19 Quarantine and Isolation \(Q&I\) Calculator](#) which offers customized information to address each unique situation. It takes the stress out of figuring when, and for how long, people with COVID-19 and close contacts need to stay home, get tested, and wear a well-fitting mask. The calculator provides important information about what precautions people with COVID-19 and their close contacts can take to protect loved ones and prevent COVID-19 in their communities. This online, mobile-friendly calculator provides a simple, easy-to-use way to help people follow CDC's [Quarantine and Isolation](#) guidance and get customized information that applies to their unique situation.

- [Public Health Advisory regarding COVID-19 Testing](#)

The Massachusetts Department of Public Health advises all residents to seek COVID-19 tests when exhibiting [COVID symptoms](#), or five days following a known close contact with someone diagnosed

with COVID pursuant to MA DPH quarantine and isolation protocols, updated in accordance with the new CDC guidance.
